

Sanlam Sustainable Global Dividend Strategy - officially launching soon

“We believe sustainability pays dividends.”

Sanlam Investments' latest strategy is available to invest in soon: The Sanlam Sustainable Global Dividend Strategy.

Run by experienced specialists Mark Whitehead and Alan Porter, the strategy looks for companies that demonstrate strong dividend growth and compelling sustainability credentials.

Capital at risk when investing. The strategy has holdings which are denominated in currencies other than sterling and may be affected by movements in exchange rates. Consequently the value of an investment may rise or fall in line with the exchange rates.
